MD50 Airport Newsletter #1

First Newsletter:

Happy April Fool's eve! I thought it might be good to start a MD50 airport monthly newsletter to help keep folks informed of what is going in and around the airport. The newsletter should be short since one often wonders how much time we have to read all the stuff with which we are inundated. If you would like to contribute something, just shoot me an email with the info, pictures, etc. and I will assemble and send out at the end of the month. Hopefully, this will keep everyone informed as to events and happenings around the airport and increase support for the airport as the weather gets warmer and we start doing more things.

Thanks/Bernie/Editor

Airport Spring Clean Up

Under the coordination of our Airport Committee, John Attebury and several volunteers pitched in to cut down some of the tree growth around the airport on March 25/26. There was a short potluck breakfast on Saturday morning, but the cold ugly weather made socializing hard. Thanks to all who showed up and helped out!!!

Quilts of Valor

On March 26th Dee presented a Quilt of Valor to one of our airport residents and pilot, Austin Van Hise, at our airport work party. Then on March 27th, Dee and several of our friends presented a Quilt of Valor to Steve Waugh and his son, Nicholas, at the MD50 Airport Pavilion. Steve was a pilot and MD50 airport regular a few years back when he flew a Bonanza with Dan Hammer. The Quilts of Valor is a program to honor military veterans with a hand- crafted patriotic quilt sewn by several members of the Quilts of Valor chapter here

in Lusby Maryland. Thanks to all those who do this for the Quilts of Valor to honor our veterans and thanks to Austin, Steve and his son for their service to our country.

Final Thoughts:

As previously stated, these newsletters will be short and sweet...maybe max of two pages. We should be doing happy hours and more flying next month. Ideas/comments/suggestions appreciated.
